iSlim 2000AF

2.0 Mega Pixel Web Camera with Auto Focus

Enjoy a superior instant video experience with the new 2.0 mega pixel webcam from Genius, iSlim 2000AF. This incredible model features a motorized auto focus lens and a high-performance 2.0 mega pixel sensor. Feel free to move around, because you always get the best focus and sharp image even if you are only 10 cm away!

The innovative cover design of iSlim 2000AF provides an ideal personal privacy solution. You don't need to remove the device when you stop video calling. Simply slide the cover and continue your online chatting. Through the intelligent IM hotkey, you can link with MSN or Skype immediately; it's the convenient shortcut to the most popular instant messengers.

iSlim 2000AF is plug and play under Windows Vista, XP SP2 and Mac 10.5.0 version. No driver installation is required. Contact your sales representative for more details.
